

**REMARKS**

With this Response, claims 6 and 11 are amended. No claims are added.

**CLAIMS 6 AND 11**

Applicant respectfully requests entry of the amendment of claim 6 to correct a typographical informality. The amendment removes the limitations "variables" and replaces it with "objects" to be consistent with the other claims of the claim set.

Applicant respectfully requests entry of the amendment to claim 11 to remove the limitation "a display coupled to the processor," as said limitation is not subsequently used by any limitation in the claim set, and does not meaningfully limit the subject matter of claim 11.

**CONCLUSION**

The Examiner is respectfully requested to contact the undersigned by telephone if such contact would further the examination of the above-identified application.

The Commissioner is authorized to charge or credit any deficiencies or overpayments in connection with this submission to Deposit Account No. 02-2666, and is requested to notify us of same.

Respectfully submitted,
